SECTION 1 PROGRAM DESCRIPTION AND REQUIREMENTS

1.1 The Workforce Innovation and Opportunity Act

Signed into law on July 22, 2014, the Workforce Innovation and Opportunity Act (WIOA) is the first legislative reform to the public workforce system in 15 years. It envisions a system design that produces the skilled workers that employers need to be competitive both locally and globally. It also seeks to help improve individual's access to employment and training activities that are relevant to current labor market conditions.

WIOA emphasizes training that leads to credentials in targeted growth sectors of the economy. It encourages service coordination among education and workforce partner agencies and the creation and utilization of career pathways in the targeted sectors. The legislation is designed to help workers, including those with barriers, to access services that lead to employment in demand occupations.

WIOA puts the One-Stop system and its operation at the forefront of workforce development activities. WIOA Section 121(d)(2)(A) requires that one-stop operators be chosen through a competitive process. The one-stop operator is responsible for the management functions of a one-stop career center. The Act also charges the Local Board with responsibility for conducting the competitive procurement for selection of a one-stop operator. This procurement must occur at least once every four years. Northwest Central Illinois (NCI) Works is the Local Board that is responsible for carrying out the procurement in area 4.

1.2 Northwest Central Illinois (NCI) Works

NCI Works is responsible for planning and coordinating the communities' resources into a workforce development system. This 29-member board is comprised of private sector employers as well as representatives from education, labor, and partnering public agencies from Bureau, Carroll, Jo Daviess, LaSalle, Lee, Ogle, Putnam and Whiteside Counties designated as Local Workforce Investment Area #4 (LWA #4). Established under the guidance of the Workforce Innovation & Opportunity Act (WIOA) of 2014 this local workforce board's goal is to provide leadership for a world class workforce system.

NCI Works' mission is to work hand-in-hand with business, service, government, education and non-profit organizations to enable workers to work and businesses to compete.

The Northwest Central Illinois Works (NCI Works) has adopted five-year priority goals that will serve as the basis for establishing and improving the one-stop delivery system in LWA #4. These goals and how they will impact the one-stop delivery system while meeting customer needs are as follows:

- Identify and respond to employer needs related to its workforce.

- Educate and train a workforce to prepare them for the globally competitive marketplace.
- Remove barriers to employment.
- Expand community awareness of workforce and economic development efforts and issues.
- Obtain, coordinate and maximize resources to support workforce and economic development

In furtherance of these goals and in keeping with WIOA, NCI Works is requesting proposals for One-Stop Operator Services.

1.3 Purpose of Request for Proposal

The Workforce Innovation and Opportunity Act sets up a framework for establishing One-Stop Centers in which the Illinois Department of Employment Security and other partner organizations may co-locate. Each comprehensive center must have a One-Stop Operator and that Operator must comply with requirements established under WIOA and its implementing rule. The purpose of the RFP is to solicit proposals from qualified entities for a WIOA One-Stop Operator for LWA 4. In LWA 4 the comprehensive One-Stop Center is located at NCI Works One-Stop Center, 406 Avenue C, Sterling, IL 61081.

1.4 Solicitation

- NCI Works hereby solicits proposals, using a competitive bid process, to qualified organizations to provide One-Stop Operator services for the LWA 4 workforce system.
- This RFP does not commit NCI Works to accept any proposal submitted, nor is NCI Works responsible for any costs incurred by the respondent(s) in the preparation of the response to this RFP.
- NCI Works reserves the right to reject any or all proposals and/or to accept or reject any or all items in the proposal.
- NCI Works reserves the right to negotiate with the respondent(s) after proposal review, if such action is deemed to be in the best interest of NCI Works.
- NCI Works reserves the right to modify any resulting contract to include additional responsibilities reasonably related to the initial scope of work with necessary funding to support completion of those additional tasks provided as appropriate.
- The contract will be on a cost reimbursement basis.
- The contract duration will be from 7/1/2024 to 6/30/2025 with 2 extensions possible for additional one-year periods.

- The specifications outlined in this RFP have been deemed to be a minimum acceptable standard. The respondent(s) are encouraged to submit a proposal that will provide LWA 4 with the best quality and cost-effective option for the services being requested.

Instructions for Attachment C

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the Department of Labor's (DOL) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the DOL determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the DOL may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DOL if at any time the prospective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. 8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties From Procurement or Non-procurement Programs.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier-covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may terminate this transaction for cause of default.
